

Stoke Gabriel Boating Association Junior Sailing Courses 2019

Course A. Saturday 25th May – Wednesday 29th May. 5 days inclusive.

Course B. Saturday 27th July – Wednesday 31st July.

The SGBA Junior Sailing Courses are an opportunity for your child to learn to sail whilst having a huge amount of fun on the river. As an RYA accredited training centre, we offer RYA Youth Sailing Scheme certificates for stages 1 - 4; but our primary focus is to learn sailing skills and enjoy being afloat.

Courses are run from the SGBA clubhouse at Mill Point. We offer up to two courses of 24 places each. Each course is for mixed levels of experience, from complete beginner onwards. Children should be aged between 9 - 14 years on the first day of the course. All applicants should be members of the SGBA. Both courses are for mixed experience, so that families can sail together.

Courses are run and taught by qualified dinghy sailing instructors and experienced sailors. The proposed dates for course B will be confirmed nearer the time to allow us to fit in with instructor availability

Those new to sailing and our less experienced sailors start off in Laser Bug dinghies. More experienced children sail Toppers and Laser Picos.

The successful running of the course depends on volunteer involvement by parents or other family members. Various roles must be filled in a team of shore based, rescue boat and dinghy helpers.

The course costs £115 per child, with at least three sessions of parental/family volunteer support per child. Please note that your child should be equipped with suitable sailing clothes and a buoyancy aid. Sailing helmets will be provided.
